The law requires 14 days from the date that the application is received to render a decision. This is due to the statutory requirement allowing 14 days from date of receipt for the public to request a public hearing. While a quorum was not present, the legal date of receipt is the next regularly scheduled meeting (4/6/22) or 35 days, whichever is sooner.

Mr. Morby gave a brief presentation on his application. Mr. Devoe advised the commissioners that any questions they have should be addressed at the next meeting, on May 4, due to the lack of quorum.
