III. Discussion, Preparation for Public Hearing:

Dan advised that five votes are needed to pass a proposal. He believes that the four republicans will support a dog park and hopefully one democrat vote in favor of the dog park for the proposal to pass.

The commission talked about the dog park flyer Dan presented. Dan to make suggested changes. Members to distributed flyers to friends, and neighbors in hopes of rallying them to come to the public hearing and/or send an e-mail to the town council to be read at the meeting.

Flyers will be sent to those people that were originally interested in a dog park back in January 2016. Dan asked that members email or call him with addresses of people that should receive the flyer.

Dan suggested that we all try to get at least three friends and neighbors to speak at the public hearing. That would make at least people fifteen speaking in favor of the dog park.

Dan indicated that he spoke to the two new council members, Messrs. Cox and Gnazzo offering to present the power point presentation that was given previously to the council, and answer any questions that they may have about the plans for the dog park.

Doreen to post flyer to Facebook Page. Dan to contact Amanda to get the list she made of Town Pet Groomers to distribute flyer to.

Public Hearing Set for Dog Park on January 2, 2018.
