

TOWN OF PLAINVILLE CONSERVATION COMMISSION
Meeting held on November 11, 2015

Due to a lack of a quorum, there was no official meeting that took place.

An informal discussion took place between Marguerite Burris, Eric Levy and Lisa Lozier about the upcoming open forum regarding the fish kill at Paderewski. The forum is scheduled for Thurs. November 19th. One of the things we are looking to find out is exactly who is responsible for this area (pond).

Respectfully submitted,
Lisa R. Lozier
