

ANNUAL BUDGET

Public Works

FISCAL YEAR

July 1, 2016- June 30, 2017

PUBLIC WORKS ORGANIZATIONAL CHART

PUBLIC WORKS

PROGRAM DESCRIPTION

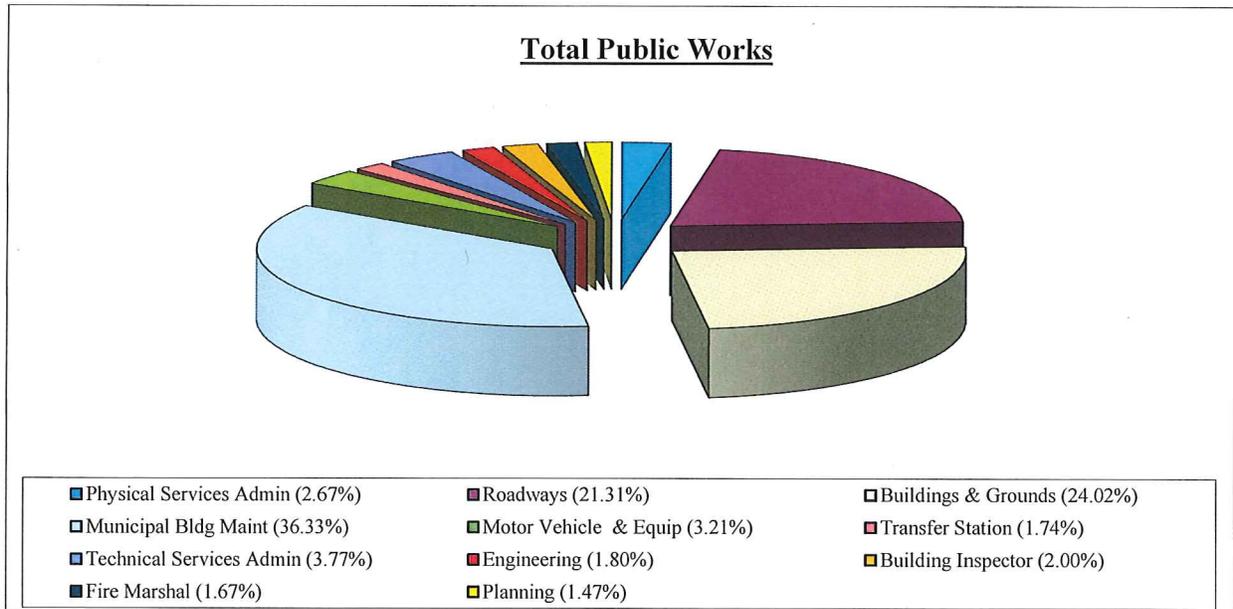

The Public Works function is charged with the planning, design, development, construction, and maintenance of public agency physical structures to include roadways, drains, buildings, grounds, and waste disposal systems. Public Works is also responsible for the Town's vehicle and equipment maintenance. Departments include the following: Physical Services, Roadways, Buildings & Grounds, Technical Services, Engineering, Building Inspector, Fire Marshal, and Planning.

GOALS AND OBJECTIVES

1. To maintain and expand service levels of Plainville's expanding infrastructure.
2. To expand and improve the Roadways and Building and Grounds maintenance facilities to meet departmental and environmental needs.
3. To replace and maintain equipment and vehicles as per the Town's Five-Year Capital Improvement Plan.
4. To coordinate residential, commercial, and industrial development.
5. To stay informed of Federal and State programs which assist the community's infrastructure improvement programs.
6. To protect the general public through the enforcement of public health codes.
7. To protect the health, safety, and welfare of residents and property owners through the enforcement of the building codes.
8. To ensure that the Town's infrastructure conforms to proper standards.
9. To protect the community from fire hazards by enforcing the State of Connecticut's fire code.
10. To continue roadway maintenance to ensure safe passage on local streets.

PERSONNEL AND EXPENDITURES

	FY 2014	FY 2015	FY 2016	FY 2017
Authorized Full-Time Positions	28.92	28.92	28.92	28.92
Total Expenditures	\$4,063,551	\$4,134,131	\$4,153,329	\$4,215,456

The graph above is a percentage breakdown of the total expenditures in the Public Works function.

301 - PHYSICAL SERVICES ADMINISTRATION

PROGRAM DESCRIPTION

This operation is aimed at the management and coordination of the effective and efficient delivery of all Physical Services in the Town of Plainville by carrying out general administration and supervision for the Divisions of Roadways, Buildings and Grounds, Water Pollution Control, and Municipal Building Maintenance.

PROGRAM ACCOMPLISHMENTS FY 2016

- Continued general administration duties at Water Pollution Control, Buildings & Grounds and Roadways Divisions.
- Street paving project completed on Northwest Drive Bridge, Fawn Drive and Ben Courts.
- Inspected, monitored, and identified repairs and improvements needed to all Town facilities including park grounds, buildings, roads, drainage problems, nature park, homeowner's complaints, OSHA compliance, and safety inspections. Non-compliant playground equipment was removed on Public Grounds.
- Specifications and bid proposals prepared and reviewed for vehicles, equipment, fuel, utilities, and all capital budget items.
- Administered Street Light repairs and coordinated work with Eversource and the town's vendor Turri/Masterson Electric. LED conversion started town wide including Wi-Fi in downtown and business districts.
- Employee safety training programs were conducted.
- Energy efficiency project implemented with CL&P and PTE at Municipal Center, Senior Center, Firehouse, Police Dept. and Library buildings, including exterior LED Lighting.
- Crack patching program on town streets continued.
- Electric Vehicle Charging Stations installed at Municipal Center and Plainville High School.
- Began maintenance on Journey Road and WPC pump station.
- Began maintenance on the building at the end of Granger Lane which was purchased by Town at the Roadway's facility.

PROGRAM OBJECTIVES FY 2017

- Municipal Center parking lot improvements (mill and pave).
- Implement Paving program using Street bond.
- Continue to develop Water Pollution Control Plant and pump station preventative maintenance programs.
- Work with Technical Services and Recreation Department to continue Park improvements.
- OSHA voluntary program to be implemented for Municipal facilities.
- Continue the employee safety training program.
- Identify alternative maintenance methods for mandated changes.
- Continue to adjust to facility changes and additional requests for grounds maintenance.
- Adjust maintenance procedures for new Sports turf and Plainville High School.

Total Combined Position Salary Budget	<u>107,115</u>

305 - ROADWAYS

PROGRAM DESCRIPTION

The Roadways division operates a variety of programs all centered on the maintenance and reconstruction of Town streets and watercourses. Specific programs include snow removal, sand sweeping, leaf collection, storm drainage cleaning/construction, street paving, street signs, and support services for other Town departments.

PROGRAM ACCOMPLISHMENTS FY 2016

- Administered the Maintenance Garage Environmental Compliance Plan.
- Kept in compliance with the Operation of the Roadway Maintenance Garage, fueling station, transfer station and landfill within federal and state environmental regulations.
- Improved and complied with Storm Water drainage requirements.
- Rebuilt and repaved North West Drive Bridge. Milled and paved Fawn Drive and Ben Court. Assisted Technical Services with additional streets milled and paved Cornell, West Broad, Dwight, Prentice, Burnside and East Fourth Streets.
- Completed the Leaf Collection program. 3-10 wheel dump trucks with 20 yard leaf boxes improved collection process by reducing driving time to landfill for dumping.
- Effective and timely winter ice/snow removal to provide safe passage on local roadways. Implemented other salt products.
- Rebuilt 51 Catch Basins.
- Implemented Crack patching program.

PROGRAM OBJECTIVES FY 2017

- Continue compliance with applicable environment regulations.
- Continue roadway maintenance to ensure safe passage on local streets, (i.e. sweeping, pothole repairs, drainage improvements, ice/snow removal).
- Continue to maintain brush clearing in waterways and runoff areas. Perform root cutting in drainage pipes.
- Add catch basins and drainage pipe in problem areas.
- Continue road improvements and repaving of local roads while continuing crack filling program. Execute street paving projects as identified in 5 year Street rehab bond.
- Continue the collection of leaves in an effective and timely manner although the program will be examined to see where there is the possibility of expenditure reductions.
- Continue investigating and testing alternative road salt methods.

PERFORMANCE MEASURES

QUALITATIVE	2015 Actual	2016 Estimated	2017 Projected

310 - BUILDINGS AND GROUNDS

PROGRAM DESCRIPTION

The Buildings & Grounds Division performs a number of services including the development and maintenance of all parks and open spaces, maintenance of grounds at municipal buildings, schools and athletic facilities, maintenance and repair of public buildings other than schools. Maintenance of the motor pool for the Board of Education, Municipal center and internal fleet. It also provides a variety of other services associated with the overhead costs of Town facilities.

PROGRAM ACCOMPLISHMENTS FY 2016

- Worked with the Fire Department, Police Department and Library to address some OSHA compliance concerns.
- Completed renovations to the Town Manager's Office.
- Converted a storage area in Technical Services to house the Revaluation office with an ultimate goal of it being a training room.
- Upgraded the pavilion and splash pad at Paderewski Park.
- Upgraded field lighting at Norton Park.
- Replaced Norton Park Activity building roof.
- Replaced 2 municipal vehicles.
- Upgraded Global Harmonized System database.
- Worked with Roadways to bring park playgrounds in compliance.

PROGRAM OBJECTIVES FY 2017

- Continue to work with the Board of Education to share resources.
- Work with Recreation on Park improvements based on a State Grant received.
- Continue to work on the OSHA voluntary program at various facilities.
- Adjust maintenance procedures for new sports turf and Plainville High School.
- Improve Middle School diamonds.
- Upgrade Activity Building Roof and Playground Shelter at Paderewski Park.
- Dredge Norton Park Canal.
- Repair Library roof.
- Improve cooling for P.D. Communications room.

PERFORMANCE MEASURES

315 - MUNICIPAL BUILDING MAINTENANCE

PROGRAM DESCRIPTION

This department addresses the cleaning maintenance needs of the Municipal Center, Library, Firehouse, Recreation, and Police Departments as well as maintenance supplies used at the Senior Center. It also includes all other energy and utility expenses for the Town buildings, streetlights, and traffic control signals.

PROGRAM ACCOMPLISHMENTS FY 2016

- Administered contracts in accordance to Town specifications.
- Successfully obtained bids and contracts at rates equal to or lower than previous year's rates for gasoline, diesel, #2 heating oil and natural gas which are bid cooperatively through CROG.
- Utility billing administered as required.

PROGRAM OBJECTIVES FY 2017

- Administration of cleaning contract in accordance to Town specifications and other department needs at the locations mentioned above.
- Continue to successfully obtain bids and contracts at lower rates for gasoline, diesel #2 heating oil and natural gas which are bid cooperatively through CROG.
- Administration of utility contracts and billing as necessary

PERFORMANCE MEASURES

QUANTITATIVE	2015 Actual	2016 Estimated	2017 Projected
Cleaning service cost	\$84,811	\$91,940	\$112,050

QUALITATIVE

The Municipal Building Maintenance department is responsible for all cleaning maintenance needs of the Municipal Center, Library, Firehouse, Recreation, and Police Department as well as the maintenance supplies used at the Senior Center. The department is also responsible for negotiating of utility contracts, gasoline, diesel, heating oil number 2 and natural gas cooperatively through CROG and billing for such as necessary.

BUDGET COMMENTARY

Utilities have been consolidated into one budget as detailed below.

52435 Other Contractual Services: Cleaning service contract for Municipal Center, Library, Fire House, Police Station, and Recreation Department; hazmat cleanup as needed. This contract has increased due to the fact that minimum wage has gone up three years in a row.

53510 Electricity – Traffic Signals: For all traffic control signals in Town.

53511 Electricity - Streetlights: Street lighting contract and lighting.

53512 Electricity – Buildings and Grounds: Electrical costs of Town buildings.

53530 Heating Oil – Buildings and Grounds: Heating oil for Town buildings. 12,000 gallons at \$2.45 a gallon. This line item was reduced based on the lower heating oil prices.

53540 Gasoline and Diesel – Motor Vehicles: For all Town vehicles and equipment. Due to the fact that gasoline and diesel keeps going down, this item has realized a substantial savings.

53550 Water & Hydrant - Fire: Hydrant costs.

53551 Water & Hydrant – Buildings and Grounds: Water costs for Town buildings and Norton Park irrigation.

53552 Water & Hydrant – Senior Center: This line item covers all water and sewer costs for the Senior Center.

53561 Telephone – Elections: Telephones used during elections.

53562 Telephone – Buildings and Grounds: Phone costs for Town buildings. The Town Accounting Analyst negotiated a lower cost for telephones.

53563 Telephone – Senior Center: Service for the entire Senior Center.

320 - MOTOR VEHICLE AND EQUIPMENT POOL

PROGRAM DESCRIPTION

This department provides for maintenance and repair of the Roadways Division vehicles and equipment, and all Town vehicles. This budget is administered by the Buildings & Grounds and Roadways department.

PROGRAM ACCOMPLISHMENTS FY 2016

- Maintained and provided Town with complete service levels for all vehicles and equipment.
- Rebuilt Air Compressor and Leaf machines.

PROGRAM OBJECTIVES FY 2017

- Improve computer operations for all Roadway related activities.
- Institute major equipment repairs: sweeping machine, catch basin cleaning equipment, leaf machines and boxes.
- New Paving Roller and Hook-lift Truck put into service.

PERFORMANCE MEASURES

QUANTITATIVE	2015 Actual	2016 Estimated	2017 Projected
Gallons of fuel used	83,900	80,000	80,000
Registered Vehicles	77	77	77

QUALITATIVE

The Motor Vehicle and Equipment Pool department is responsible for the maintenance and repair of the Roadways Division vehicles and equipment along with all Town vehicles. The department strives to provide excellent repair service to the vehicles listed above as well as the major equipment repairs for the sweeping machine, catch basin cleaning equipment, leaf machines and boxes.

BUDGET COMMENTARY

52340 Repair and Maintenance: Cost of parts and supplies to maintain six dump trucks, one catch basin cleaning unit, one sweeper, one loader, one backhoe, four leaf machines, one chipper, one roller; and miscellaneous equipment such as pumps, sanders, generators and cement mixers.

52350 Automotive Supplies and Parts: Cost of parts and supplies to maintain two pickup trucks.

52470 Automotive Repair and Maintenance: Contractual cost of out of house repairs for vehicles.

52480 Equipment Maintenance and Repairs: Contractual cost of repairs for equipment as detailed in line item. This line item has been broken out to tract the snow removal expenses.

323 - TRANSFER STATION

PROGRAM DESCRIPTION

This department maintains the operation of the Town's Landfill and Transfer Station and is administered by the Roadways Department.

PROGRAM ACCOMPLISHMENTS FY 2016

- Continued facility improvements to comply with DEEP and collection needs.
- Burn waste oil generated from Transfer Station to heat Roadways Maintenance Garage #3.
- Expanded hours for residents to dispose of leaves and Christmas trees drop off and pickup.
- Electronic waste disposal area maintained.

PROGRAM OBJECTIVES FY 2017

- Grind brush (no longer able to dispose of by burial).
- Continue positive appearance at Transfer Station.
- Continue to assist the public with recycling requirements.

PERFORMANCE MEASURES

QUANTITATIVE	2015 Actual	2016 Estimated	2017 Projected
Attendant Cost	\$4,800	\$5,435	\$6,300

QUALITATIVE

The Transfer Station department maintains the operation of the Town's Landfill and Transfer Station providing assistance to the public with recycling requirements as well as providing a place to dispose of electronic waste, leaves, and Christmas trees.

BUDGET COMMENTARY

51120 Part Time Salary: Transfer station attendant for Saturdays and expanded hours during the fall.

52330 Operating Supplies: Materials, supplies, and equipment related to landfill operations.

52435 Other Contractual Services: Well sampling & reports; DEEP landfill permits; storm water monitoring permit.

52445 Transfer Station Removals: Steel removals; tire removals; yard waste & refuse removal; waste oil and antifreeze removal; transfer station permit. The increase is due to actual expenditures for yard waste and refuse removal.

52460 Rentals: Dumpster rentals at Fire House, Senior Center and Municipal Center (3 dumpsters); rental of waste reduction equipment; and Conservation Commission annual spring and fall cleanups.

325 - TECHNICAL SERVICES ADMINISTRATION

PROGRAM DESCRIPTION

The Technical Service Administration Unit coordinates and manages the activities of the Engineering, Building, and Fire Marshal divisions. The department consists of a Director and two Office Assistants that perform general administrative tasks, clerical functions, supervision of staff and planning of various projects. The unit's primary objectives include coordinating residential, commercial and industrial development, protection of the public through the enforcement of local regulations, public health code, building and fire codes and ensuring the Town's public improvements conform to proper standards.

PROGRAM ACCOMPLISHMENTS FY 2016

- Administered and oversaw the consultant's design for the Tomlinson Avenue Bridge.
- Administered and enforced the provisions of the Building Code and Fire Code, ensuring safety in public and private facilities.
- Effectively promoted health awareness, fire prevention, and building safety campaigns.
- Oversaw the Design and Construction of Street Improvements of the Bond Roadway Improvement Project.
- Initiate Roadway Improvements on Cooke Street
- Complete the Design for Parking Lot Improvements at the Senior Center
- Implemented the Property Management Ordinance
- Administered Code Compliance (Building and Fire) for the Construction private and public endeavors

PROGRAM OBJECTIVES FY 2017

- Keep apprised of pertinent environmental issues specifically related to storm water and waste disposal.
- Stay abreast and informed of Federal and State programs that assist communities infrastructure improvement programs.
- Implement the Town's Capital Improvement Program including Street Improvements under the Bond Program.
- Maintain and modify the Building, Fire Marshal and Health Department's services to ensure the community's safety.
- Implement the FEMA Hazard Mitigation Grant finalizing acquisition and demolition of structures on Robert Street Extension and Norton Place Extension.
- Implement the process to ensure environmental compliance at the Town's former landfill's Stewardship Permit.
- Provide support for the Pequabuck River multi town Flood Study.
- Assist other agencies in the development and implementation of improvements at the High School Athletic fields.

330- ENGINEERING

PROGRAM DESCRIPTION

The Engineering Division provides essential municipal services to a variety of Town Departments and agencies. The division designs and prepares specifications for Town construction projects, provides professional review of subdivision and site plans in such areas as street layout and construction, and storm and sanitary sewer designs, coordinates town participation in state and federal sponsored construction projects, assists public safety operations in accident investigations, and maintains all Town utility base maps.

PROGRAM ACCOMPLISHMENTS FY 2016

- Completed the design for Cooke Street Improvements and initiated construction.
- Designed and provided oversight for the reconstruction of six streets funded by the Bond Project.
- Designed Plainville Senior Center Parking Lot Improvements.
- Assisted the Roadway Division's reconstruction Efforts.
- Assisted the consultant in the implementation of the Stewardship Permit for the former Town Landfill.
- Assisted the Building and Grounds and Roadway Divisions in Storm Water compliance issues
- Reviewed the Pequabuck River Flood Study in conjunction with the City of Bristol and Town of Plymouth.
- Updated Geographical Informational System (GIS).
- Designed the FEMA Hazard Mitigation Project

PROGRAM OBJECTIVES FY 2017

- Provide technical assistance to the Town's land use Commissions.
- Stay apprised of pertinent environmental issues specifically Aquifer protection and NPDES phase II.
- Provide technical assistance for improvements at the Water Pollution Control Facility and Pump Stations.
- Complete the Pequabuck River Flood study in conjunction with the City of Bristol and Town of Plymouth.
- Develop and implement a Street Reconstruction Program.
- Implement the FEMA Hazard Mitigation Project – Demolition of nine residential structures

370 - FIRE MARSHAL

PROGRAM DESCRIPTION

The Fire Marshal enforces all applicable Federal, State and Local fire safety regulations and performs other duties as set forth in the Connecticut General Statutes or other legislation enacted by the Town of Plainville. Duties and responsibilities include inspection of new, existing, and renovated structures, investigation of the origin and cause of all fires, initiation and follow-up of enforcement actions, hazardous materials management, and development of educational programs for the community.

PROGRAM ACCOMPLISHMENTS FY 2016

- Continued code enforcement which has resulted in the progressive reduction of fire department incident responses and incident severity.
- Participated in the “*Operation Save a Life*” program with WTNH and Home Depot, which provided 65 free smoke and 38 carbon monoxide detectors to single family homes in Plainville at no cost.
- Coordinated and participated the “*American Red Cross Home Fire Preparedness Campaign*” that provided and installed 121 free smoke detectors in single family homes in Plainville at no cost.
- Coordinated sessions with school age children to discuss fire prevention and distributed information to the adult community.
- Lectured at adult education classes and private organizations’ meetings such as AARP and The Lyons Club.
- Maintained the inspection program, which is in place for all occupancies in the town, with specific concentration on residential dwellings.
- Maintained inspection standards in the town and continued to be a user-friendly office for the citizens.
- Received a \$250.00 CT Fair Plan grant to attend an IAAI Conference.
- Received a \$2000.00 FM Global Grant to purchase field inspection software, an iPad and investigation equipment.
- Contributed and provided Occupancy Pre Plan information to the Fire Department.

PROGRAM OBJECTIVES FY 2017

- Continue the Fire Code Inspections program to update commercial and residential occupancies to current requirements.
- Produce preplans for fire department personnel on building construction, hazards, and chemicals in inspected occupancies.
- Continue to work closely with building inspector on all permitted projects.
- Prepare programs for the elderly regarding fire and life safety.
- Continue to apply for Grant awards to reduce the cost of education and equipment to the town.

PERFORMANCE MEASURES

QUANTITATIVE	2015 Actual	2016 Estimated	2017 Projected
Hazardous Materials	15	10	10
Building Plan Reviews	25	20	15
Fire Investigations	480	480	480
Fire Inspectors	4	4	4
Fire Prevention Education Hours	215	225	225
Free Smoke and Carbon Monoxide Detectors	39	255	70
Complaints	16	20	20
Blasting Permits	16	8	8
Day-Care Certificates	8	8	8
Liquor License Certificates	25	24	24

QUALITATIVE

The Fire Marshal serves on a 24 hour on-call basis to provide investigation, consultation and response to complaints in a timely manner. The fire marshal’s office continues to provide a potentially lifesaving service, providing for a safer town through education, inspections and other activities.

BUDGET COMMENTARY

51110 Full Time Salary: Full time Fire Marshal to carry out all duties statutorily required in Connecticut.

51120 Part-time Salary: Appointed Fire Inspectors and Fire Investigators. The salary is \$20 an hour and used as inspections and investigations are completed. The total amount is based on an estimate relative to the amount of time the appointee provides the town.

52330 Operating Supplies: Supplies related to fire prevention and investigation activities, and day to day operating expenses of the Department. Materials such as fire prevention educational materials, investigation supplies, code manuals and pertinent items will be purchased with these funds.

52401 Professional Development: There are at least two conferences attended annually. The CT State Fire Marshals Association sponsors a two-day program annually. Topics are germane to new technologies and code compliance matters. The CT Chapter of the International Association of Arson Investigators sponsors a two-day seminar, usually in the field of fire investigations. Both seminars have provided valuable information.

52450 Maintenance Contracts: This account provides funds for a maintenance contract services for the Fire Incident and Inspection Management System and upgrades to the existing computer software as required.

Civil Preparedness #215 Part-time Salary #51120 Budget	17,975
Fire Marshal #370 Full-time Salary #51110 Budget	66,375
Total Combined Position Salary Budget	84,350

51120 Part-time Fire Inspectors are paid an average of \$20.00/hour for a budget estimated 75 hours or 1,500

380 - PLANNING DEPARTMENT

PROGRAM DESCRIPTION

The Planning Department is responsible for long range planning and the implementation of the Plan of Conservation and Development. We assist various land use commissions in updating as warranted the zoning, subdivision, inland wetland and aquifer protection regulations as well as determining and revising policy relative to economic development efforts. The Department assists property owners in processing applications for land development activities and provides technical assistance to the Planning and Zoning Commission, the Inland Wetlands and Watercourses Commission, the Aquifer Protection Agency, the Economic Development Agency and other Town Departments in all matters relative to land use regulation. We provide grant writing services and administer resulting projects as well as undertaking special projects as assigned. In addition, the Department maintains an inventory of available commercial space, which is used in concert with Department administered economic development incentives to drive appropriate economic growth.

PROGRAM ACCOMPLISHMENTS FY 2016

- Implementation of the Aquifer Protection Regulations began in 2009; 2015 marked the first wave of registration renewals for the Johnson Avenue Well-field. In 2017, staff will have to work to renew approximately 100 registrations within the Woodford Avenue Well-field.
- Served on the Pequabuck River Watershed Study Committee with team members from Bristol and Plymouth. Worked diligently to refine information presented by the consultants to obtain the best possible end product.
- APA Registration Transfer requests were processed in accordance with commercial turnover for those properties already registered.
- The IWWC continued to pursue administration of its regulations as well as encouraging the use of low impact development and storm-water management best practices.
- Our monthly reporting format continued to allow more widespread access to economic development activities. These reports were routinely published by local newspapers and distributed to a wide audience via email.
- Our Office administered the Town's Tax Abatement and Revolving Loan Fund for the EDA and Town Council and also made recommendations on small business loans and Tax Abatement Agreements pursuant to Connecticut General Statute.
- Press releases were distributed to promote EDA's Revolving Loan Fund and Tax Abatement Agreements to local businesses and newspapers.
- Continued to work closely with local and regional staff and the State of Connecticut to attract and retain businesses.
- Maintained available properties database and posted updated list on the Town's website.
- Revised program policies to reflect current economic conditions.
- Established the Department as a clearinghouse for coordinating GIS updates with the Assessor, Town Clerk, and the Engineering Department as collaborators.
- Continue to learn GIS software; created new electronic version Wetlands Map resulting in a vast improvement in accuracy as well as updating the zoning map to reflect historic zone lines more accurately.
- Staff suggested, and the PZC approved, the following text amendments:
 - The Redevelopment Design District Regulations are meant to foster redevelopment of underutilized and/or contaminated industrial properties by special exception. The regulations allows for mixed use development where conventional development may not be economically feasible.
 - Revised parking lot landscaping requirements in keeping with Plan recommendations to emphasize more plantings.
 - Repeal existing and rewrite new Sand and Gravel Removal regulations to require a greater degree of accountability and environmental controls.

PROGRAM OBJECTIVES FY 2017

- Process zone map, zoning, subdivision and wetland regulation changes in response to community needs, changing State Statutes, and the 2009 Plan of Conservation and Development.
- Provide staff services in conjunction with regional efforts to develop the Farmington Canal Heritage Greenway Trail within the Towns of Plainville and Southington.
- Work to implement Low Impact Development Techniques within the context of the zoning and wetland regulations.
- Continue to review regulations for changes needed to match current paradigms in planning and conservation.
- Continue to administer the Aquifer Protection Program.
- Administer the Inland Wetlands and Watercourses regulations in a fair and consistent manner.
- Continue to address the need for regulatory change as law requires.

- Continue to work with DEEP to develop clear guidelines for development review within upland review areas as well as providing guidance for the minimization of watershed impacts affecting local streams and rivers.
- Serve as staff liaison to the Pequabuck River Watershed Based Plan (not to be confused with P. R. flood Study) Committee to develop watershed based solutions to in-stream water quality.
- Continue to serve as staff liaison to the Central Connecticut Rail Study long term planning effort.
- Continue to strive for improved communication with the business community, expansion of existing facilities, and creation of more local jobs.
- Continue to administer the Revolving Loan Funds and Tax Abatement Programs.
- Continue to foster working relationships with the local and regional chambers of Commerce, Council of Governments, State Department of Economic and Community Development and other economic growth partners.
- Continue to adjust assistance policies to reflect current economic climate.

PERFORMANCE MEASURES

QUANTITATIVE	FY 2015 Actual	FY 2016 Estimated	FY 2017 Projected
Inland wetland applications processed	4	8	10
Zoning applications processed	33	30	30
Aquifer registrations/permits processed	2	12	8
Economic Development Petitions Heard	5	6	6

PERSONNEL			
Full-time	½	½	½
Part-time	½	½	½

QUALITATIVE

The Department of Planning and Economic Development budget includes funds for the salary of the Director (1/2) and the Code Enforcement Officer (1/2). The budget also provides for mandatory certification maintenance credits for the Town Planner as well funding association dues in the American Institute of Certified Planners. Operating supplies for this Department as well as the Planning and Zoning Commission, the Inland Wetlands and Watercourses Commission, the Aquifer Protection Agency and the Economic Development Agency are funded through this budget as well.

BUDGET COMMENTARY

51110 Full Time Salary: 50% of the full time salary of the Planning and Economic Development Director is shared with the Economic Development Department #170.

51120 Part Time Salary: 50% of the part time salary of the Code Enforcement Officer is budgeted here for a total of fourteen (14) hours a week. Seven (7) hours of those are budgeted in the Solid Waste Management Department #415 for recycling enforcement.

52330 Operating Supplies: Supplies for all departments under the umbrella of this Department (that are not available in Central Supply) are budgeted here. This line item was reduced by \$600 in response to centralization of printing and copying that will include cartridges/toners.

52401 Professional Development: Membership in the American Planning Association, certification with the American Institute of Certified Planners, attendance at professional meetings and conferences, and accredited course work and seminars required to maintain professional certification.

52435 Other Contractual Services: This is a recurring line item meant to support GIS services, updates and uploads (onto the website) of map revisions and/or new map layers. Basic costs include reasonable updates to the Assessor's maps. This year, we added \$2,000.00 for website hosting, which was previously done through a grant that is no longer available.
