Executive Director

The Town of Plainville won the Government Finance Officers Association (GFOA) *Distinguished Budget Presentation Award* for its Fiscal Year 2016 Annual Budget. It is the fifteenth year the Town has been awarded this honor. This award is the highest form of recognition in governmental budgeting and represents a significant achievement by our organization. A lot of hard work goes into putting this document together and it is our mission to continue to improve the Town's Budget every year in order to make it easy to understand and to be sure that it is user-friendly. Plainville's goal has always been to produce a budget document that could be understood by elected officials, employees and citizens alike. The budget features sections such as "A Citizen's Guide to the Budget" in an effort to aid understanding. The citizens are our first priority when we prepare our budget document because the taxpayers have a right to know and understand the important financial decisions the Town makes. It is our hope that everyone will be pleased with the continued improvements to the budget.
