VIII. REPORT OF TOWN MANAGER

Town Manager Lee presented and discussed the following topics:

- **WPC Crane Truck Replacement**

This item will be addressed at the November 19th meeting as some additional information regarding this purchase is yet to be finalized.

- **Tax Fixing Agreement – 311 NB Plainville, LLC**

On May 31, 2018, the Town Council approved a Memorandum of Understanding with 311 NB PLAINVILLE and JBW ENTERPRISES for tax abatements on the former Chung property. The property owner has completed the first stage of the improvements on a portion of the property and is ready to move forward with the Tax Fixing Agreement.

However, the applicant would like to transfer a portion of the property that has the new Goodwill Store to another entity. The proposed Tax Fixing Agreement includes language that would allow for an owner to transfer the property and still maintain the tax fixing arrangement through the term of the Agreement.

The terms previously recommended by the Economic Development Agency and approved by the Town Council in May, would provide a 50% tax abatement on the improvements for 10 years. The Agreement has been reviewed by the Town Attorney.

- **Railroad Crossing Update**

Railroad crossing repairs have been made on Town Line Road and East Street. Repairs on the West Main Street crossing are scheduled for this weekend beginning on Friday evening, weather permitting. After the crossings have been installed, a paving contractor will then mill the road leading up to each crossing and installing pavement as well.

The State D.O.T. will be reimbursing the Town for the police services provided as part of these improvements.

- **Happenings**

Assistant to the Town Manager Colby reported on events and activities with regards to the Senior Center, Public Works, Youth Services and the new textile Simply Recycling program. More information can be found on the Town's website at www.plainvillect.com.
