IV. NEW BUSINESS

1. Application #16-10-01 – Bozena Deptula of Bristol CT seeks variances to Article 4, Basic Standards, Section 4.03, Sub-section 4 signs in Commercial and Industrial Zones, Paragraph B Detached Signs to permit the installation of a detached sign within one (1) foot of the property in lieu of the requirement that the sign be places a minimum of twelve (12) feet from the property line at a property known as 454 East Street.

There were no residents present, so Peter Autunno closed the public hearing.

The board discussed the application and instructed the applicant that the sign must comply with Zoning Requirements. It must be a single post sign with a minimum height on the bottom of the sign of 6'8".
