

**LAND USE APPLICATION – CHANGE OF NONCONFORMING USE
PART TWO**

List present and prior uses with corresponding dates to extent known:

Present use: _____ Date or Year established: _____ Source: _____

Prior use: _____ Date or Year established: _____ Source: _____

Prior use: _____ Date or Year established: _____ Source: _____

Describe the proposed use in detail, including specific component uses and subordinate or ancillary uses; and the site and building areas to be allocated to each component use, if applicable.

Identify any new equipment, structural features, outdoor storage or set-up areas, or other improvements intended as part of the use change.

Provide an explanation how the proposed nonconforming use is not more objectionable in character than the existing use.
