We hope this email finds our Plainville Senior Center members safe and healthy. Although the Senior Center is closed, staff are working and always available by telephone, 860-747-5728, during our regular hours. If you live in Plainville, limited Dial-a-Ride is also available for non-emergency medical appointments (as long as you are not sick), grocery shopping, banking, food pantry and pharmacy.

Hello Plainville Seniors:

I just wanted to say hello and reassure everyone that the Plainville Police Department is doing well during this unprecedented healthcare crisis. All of us at the police department are certainly hoping that all of you are doing well too!

The Corona virus has certainly tested our ability to plan and coordinate efforts regarding how we would police our town during a pandemic. We are working very closely with the Town government, our regional health director, and our emergency services provider in order to meet our goals and objectives to ensure both your safety and ours.

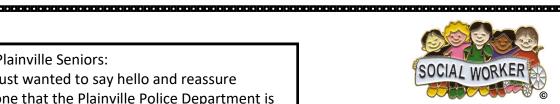

We have been very successful in gathering the necessary personal protection equipment in order to safely serve our citizens. We have made some very minor adjustments to our day-to-day operations in order to limit the spread of the virus both from inside the department between members and from the outside in. In doing so, we are still able to meet your service needs, dispatch calls for police, fire, and EMS, patrol the town, investigate crime, as well as send copies of any records you may need. I think we have been successful in making these changes with minimal interruption to service delivery.

Rest assured, we are here to protect and serve Plainville 24/7. Our officers and staff are focused on staying healthy and ready to do what we can to see us all through this very difficult time.

Please continue to practice social distancing and other basic healthcare recommendations. I truly believe these basic techniques will help us get through this next few weeks and lessen the numbers of people getting ill in our community.

Stay well!

Chief Matthew Catania

Stephanie Soucy, Senior Center Social Worker is available, by phone (860-747-5728) if you have any questions or concerns about Medicare, financial assistance, caregiving issues and more! Give her a call if you need assistance!

If your phone rings, it might be one of the Senior Center staff!! Staff members Evelyn, Carol, Jan and Tammy are busy calling every one of our

members by phone. They're calling to say "hello" and to see how everyone is doing! So far, we've received lots of positive feedback from members saying that it's been nice to chat with someone!

Please Help Us Update Your Information

Enclosed is a blank membership application. Every three years or so we update our entire membership of over 2,200 individuals. This helps us make sure that you are receiving our newsletter or that we can reach you if we need to cancel an appointment **or** if we try to call you and your phone number has changed or in an emergency we try to reach your emergency contact and his/her number has changed. Please complete the membership application and check with your emergency names to see if their home, work or cell numbers have changed. We will **not** share your information.

Please return the completed Membership Form to:

> **Plainville Senior Center** 200 East Street Plainville, CT 06062

Income Tax Appointments

The good news is the tax filing deadline has been extended to July 15th. Unfortunately, it is too early to know about AARP tax assistance. As soon as we know something about the tax program, we will call those who had appointments scheduled with us.

Social Security Recipients Will Automatically Receive Economic Impact Payments. The U.S. Department of the Treasury and the Internal Revenue Service announced that Social Security beneficiaries who are typically not required to file tax returns will not need to file an abbreviated tax return to receive an Economic Impact payment. Instead, payments will be automatically deposited into their bank accounts or a paper check will be sent (however you would normally receive your benefits).

Fabric Masks Needed

Some of our high-risk members are in need of face masks. If anyone would like to make and donate fabric masks to the Senior Center, please contact Ronda or Stephanie at 860-747-5728.

Trips, trips, trips

All of our April and May trips have been cancelled including our April Quick Trips and Outdoor Adventure Trips. As soon as we can, we will begin planning trips again. Refunds will be processed in the next few weeks, and we will mail the checks to you.

Trips by motor coach that have been cancelled so far are: Do You Love Lucy? Stars of the Grand Ole Opry; Albany Tulip Festival; the Abba Tribute, the Queen Esther trip and Culinary Institute.

As of now, all of our April programs, classes, trips and special events are postponed. We plan to reschedule many of these activities once it is safe to do so. And, we will definitely be planning a huge welcome back party with food, music, and loads of fun!

While you are sitting at home, take the time to complete the 2020 Census! Your response matters and Plainville is hoping to have 100% participation in the Census. Census results help determine how billions of dollars in federal funding flow into states and communities, they determine how many seats in Congress each state gets, and it's mandated by the US Constitution. There are three ways to complete your census: online, by phone (844-330-2020) or by mail. www.2020census.gov.

If you are aware of any member who is hospitalized, experiencing health issues or in a convalescent home, please call the Senior Center to let us know. Thank you to Carol Perry for continuing to send sympathy, get well and thinking of you cards to our members.

Our Meals-on-Wheels volunteers have been very busy delivering meals to homebound folks and they certainly deserve a huge "high five" if you know any of them: Gene, Ted, Ana, Bob, Joe, Dale, Leona, Laurie.
