#### \*PUBLIC NOTICE:

Following are ways to submit remarks to the Town Council for the Public Hearing and/or Public Comments:

- 1) Email: <u>tcpubliccomments@plainville-ct.gov</u> Please submit by 4:00pm Monday, December 21.
- 2) Voice Mail Message: 860-793-3256 (3-minute limit)

For either option, please be sure to include or state your name and address and that your remarks pertain to the 12/21/20 Public Hearing or Public Comments. Emails and voice mail messages will be relayed to the Town Council before or after the meeting, depending on when they are received.

#### For Public Hearing ONLY:

To actively participate in the Public Hearing during the meeting, dial (Toll Free) 888-788-0099 or 877-853-5247 and enter Webinar ID: **872 8671 3033** 

It will be announced when the Public Hearing is open, and it will be explained how callers wishing to make remarks will take turns doing so.

#### <u>PUBLIC PARTICIPATION INFORMATION – DAY OF</u> <u>MEETING:</u>

- A link to access this meeting in real time via YouTube will be posted on the Town Website 15 minutes prior to the meeting start time. Be advised, streaming will begin at 7:00pm. Please refer to our "Spotlight" section on the Home Page (www.plainvillect.com) for this information.
- For **Audio Only** participation, dial (Toll Free) 888-788-0099 or 877-853-5247 and enter Webinar ID: **872 8671 3033**

#### LEGAL NOTICE TOWN OF PLAINVILLE TOWN COUNCIL PUBLIC HEARING

**NOTICE IS HEREBY GIVEN** that the Plainville Town Council will hold a public hearing at 7:00 p.m. on Monday December 21, 2020 in the Municipal Center to consider:

1. An additional appropriation of \$490,000 to the Capital Project Fund

Dated at Plainville, Connecticut this 17<sup>th</sup> day of December 2020

Plainville Town Council

By Carol A. Skultety, Town Clerk & Clerk of the Town Council

To:

Robert E. Lee

Cc: Subject: Lisa Metayer; Matthew Daskal FY 2021 Additional Appropriations

Robert

During the FY 2021 budget process, it was decided to appropriate \$980,000 from the General Fund Unassigned Fund Balance to fund additional Town Capital Improvement Projects not funded by the General Fund Mill Rate contribution. We are now halfway through the FY and should appropriate the funds.

I recommend we ask the Town Council to appropriate \$490,000 twice within the next six (6) months to cover the costs being incurred in the Town Capital Projects fund. This amount is below the amount required to hold a Town Meeting but I believe a Public Hearing needs to be scheduled before the actual appropriations can be made.

Please let me know if you have any questions.

#### Thanks

#### XII. OTHER DISCUSSIONS OF INTEREST

#### XIII. MATTER APPROPRIATE FOR EXECUTIVE SESSION

#### XIV. ADJOURNMENT

The Regular Meeting was called to order remotely at 7:00pm. Present were Chairwoman Pugliese, Vice Chairwoman Tompkins, Council members Wazorko, Morante, Gnazzo, Rocco, Underwood, Town Manager Lee, Assistant Town Manager Daskal and Town Clerk Skultety.

Chairwoman Pugliese mentioned Town Council meetings will be held remotely via zoom for the month of December and then re-evaluated.

#### I. PRESENTATIONS

#### II. PUBLIC HEARING

#### III. MINUTES OF PREVIOUS MEETING

Vice Chairwoman Tompkins motioned to approve the minutes of November 16, 2020 Regular Meeting. The motion was seconded by Councilman Underwood and passed 7-0.

#### IV. ANNOUNCEMENTS - REPORTS

Chairwoman Pugliese mentioned the passing of Caryl Bradt, former Director of Technical & Physical Services and extended condolences to his family.

#### V. APPOINTMENTS/RESIGNATION

#### VI. BOARD OF EDUCATION LIAISON (3rd Monday Meetings Only)

#### VII. REPORT OF TOWN ATTORNEY

#### VIII. REPORT OF TOWN MANAGER

#### • Treated and Non-Treated Road Salt Bids

The Roadways Department is seeking Town Council approval to purchase both treated and nontreated winter salt materials. Typically, nontreated salt is utilized in warmer conditions above 17 degrees while treated salt is used in temperatures below 17 degrees.

The first item is untreated salt. Town staff is recommending the purchase of nontreated from Champion Salt of Maryland Heights, MO at a cost of \$58.00 per ton. Champion Salt was the low bidder through a State Bid process. This price per ton is \$1.75 per ton less than what was paid last year. (\$59.75)

The second item is treated salt. Town staff is recommending the purchase of treated salt from DRVN Enterprises of Wethersfield, CT at a cost of \$63.50 per ton. This is a negotiated price which is also \$8.00 per ton less than last year.

There are two items under **New Business** regarding the purchase of nontreated and treated salt as recommended by Town staff.

#### • Eversource Gas Replacement and Expansion Project

Earlier this summer Eversource Gas notified Town staff that they were planning to make some substantial upgrades to their distribution system in Plainville over the next ten years. This was immediately concerning because their plans included replacing gas lines in recently paved streets.

For the last five years, Town staff had annually contacted the utility companies, including Eversource, requesting their future construction plans in order to avoid a situation where a town road was to be dug up shortly after being re-paved. At no time did Eversource Gas inform Town staff of their plans until this summer. When these plans were received, Town staff immediately contacted them to express our displeasure and notifying them that they would have to make some adjustments to their replacement schedule.

Town staff has had several meetings with Eversource representatives, and some changes have been made to the schedule. For example, Eversource planned to replace gas lines on Whiting Street in 2026. However, the Town is planning extensive work on this road next year after receiving a state grant. As a result of these discussion, Eversource agreed to perform this work beginning next spring before we begin our project.

Town staff will continue to meet with Eversource to refine the construction timelines and the method of pavement restoration.

In addition, Eversource has stated that they plan to move forward with extending gas service on Redstone Hill Road and the neighborhood that includes Hollyberry Lane, Skyline Drive and Highland Drive. This was originally discussed with Town staff about 18 months ago, but their plans were delayed.

This expansion work is expected to begin early next year.

#### • Robertson Airport Update

There are several projects underway at the airport. The reconstruction of the taxiway is being done by Tilcon and is about 90% completed. This is a \$2.72M project that is being paid through a grant provided by the F.A.A.

Additionally, the Town has made some improvements to the airport facilities utilizing monies in the Airport Fund. Improvements that have already been made include the painting of three hangars (including the administration building) and the replacement of several heating/cooling units. The Town is also looking to replace the metal roof on Hangar 4 as it currently has some leaks and has reached its useful life.

Interstate Aviation and the Town have also agreed to make improvements to the administration building. The interior floorplan is being modified by Interstate and the Airport Fund will contribute to some of the exterior work including new windows and doors and a new handicapped accessible ramp to the main entranceway. The plans also include improvements to an adjacent patio area which will allow residents to have a place to observe the airfield.

Interstate is also planning to construct a small café inside the administration building. The improvements to administrative building are expected to begin during the winter months with the replacement of the Hangar 4 roof to occur next Spring.

#### • Town Clerk Position

Town Clerk Carol Skultety recently announced her plans to retire in January. Carol has worked for Plainville since 1998 first serving as the Deputy Revenue Collector and then becoming the Deputy Town Clerk before being appointed as Town Clerk after Peter Lennon retired in 2003.

Seventy-four applicants expressed interest in the Town Clerk's position. On November 12<sup>th</sup>, eight candidates were interviewed by a panel consisting of Carol Skultety, Stacy Buden and James Krupienski who currently serves as the Newington Town Clerk.

The Interview Panel unanimously recommended Cindy Porrini of Bristol as the top candidate for the position. Mrs. Porrini is a certified Town Clerk and is currently serving as the Assistant Town Clerk in West Hartford – a position that she has held since 2014. Before that she served in the Bristol Town Clerk's Office in several supporting capacities for 14 years.

A final interview with Town Manager Lee and Stacy Buden was held on December 3<sup>rd</sup>. Pursuant to the Town Charter, Town Manager Lee announced that he has appointed Cindy Porrini to serve as the Plainville Town Clerk beginning on January 4th. This will allow for some overlap time with Carol Skultety to acquaint her with the office.

Town Manager Lee thanked Carol for her 20+ years of dedicated service to the Town of Plainville and wished her well in her retirement.

#### • CIP Additional Appropriation

The FY 21 Capital Improvement Budget anticipated that \$980,000 would be contributed from the Towns' unassigned fund balance to support the approved projects. According to the Town Charter, the Town Council is required to conduct a public hearing before considering an additional appropriation.

The Town Charter also requires a referendum whenever any additional appropriation exceeds 1% of the Town Budget. As a result, in order to appropriate \$980,000 from the unassigned fund balance, two supplemental appropriations will be required in order to avoid the expense of conducting a referendum.

There is an item under **New Business** establishing a public hearing for Monday, December 21, 2020 at 7:00 pm to receive public comments regarding the appropriation of \$490K from the unassigned fund balance to the Capital Improvement Fund. A second appropriation will be planned later in the fiscal year.

#### FY2022 Budget Discussion

Town staff is currently making plans for the development of the FY22 Town budget. One of the first steps in the budget process is a joint meeting with the Town Council and the Board of Education.

During this joint meeting, both Town and School Administrative staff update both boards on the status of the current budget year and the projected budget assumptions and expectations for next year.

This meeting is generally held in mid-January. Given the current pandemic, this meeting will most likely be held remotely via video conferencing. Two suggested dates are Tuesday, January 12<sup>th</sup> of the following Tuesday, January 19<sup>th</sup>.

#### • COVID-19 Update

At the current time, the Municipal Center, Library and Senior Center are open to the public. Additionally, the schools are also conducting in school learning. However, both state and local health officials continue to report more COVID-19 infections and an increase in hospitalizations.

Some Town staff in the sewer department, buildings & grounds, roadways, police department, Senior Center and the Municipal Center have had to quarantine as a result of contact tracing. School staff has been impacted as well.

To date Town operations have continued with some minor impacts but this could change very quickly. Town staff will continue to monitor the pandemic and follow the recommendations of the health officials.

Regional Health Director Lockwood mentioned the increase of cases has been expected noting family & friend gatherings are contributing to the spread. Director Lockwood went on to say cases that have required hospitalization are more manageable than they were in the spring and encourage residents to continue to take every precaution when going out in public.

Vaccinations will be given to priority groups with guidelines set by the federal government.

#### • Happenings

Assistant Town Manage Daskal announced activities and updates regarding town offices holiday hours, Social Services "Rescue Christmas" project and activities within the Senior Center. Detailed information can be found on the Town's website www.plainvillect.com

#### IX. PUBLIC COMMENTS

#### X. OLD BUSINESS

#### XI. <u>NEW BUSINESS</u>

#### 1. <u>Bid #2021-09, Non-Treated Road Salt Bid</u>

Vice Chairwoman Tompkins motioned to award Bid #2021-09, Non-Treated Road Salt, under State Contract #20PSX0085 to Champion Salt, Maryland Heights, Missouri, in the amount of \$58.00 per ton. The motion was seconded by Councilman Underwood and passed 7-0.

#### 2. Bid #2021-10, Treated Road Salt Bid

Vice Chairwoman Tompkins motioned to waive the bid process for Bid #2021-10, Treated Road Salt, and award to DVRN Enterprises Inc., Wethersfield, CT, in the amount of \$63.50 per ton. The motion was seconded by Councilman Gnazzo and passed 7-0.

#### 3. Public Hearing regarding CIP Additional Appropriation

Vice Chairwoman Tompkins motioned to establish a public hearing for Monday, December 21, 2020, at 7:00pm to hear public comment regarding an additional appropriation of \$490,000 to the Capital Projects Fund. The motion was seconded by Councilman Underwood and passed 7-0.

#### 4. Tax Refunds- See Addendum

Vice Chairwoman Tompkins motioned to approve the tax refunds as listed on the Addendum. The motion was seconded by Councilman Underwood and passed 7-0.

#### XII. OTHER DISCUSSIONS OF INTEREST

Town Manager Lee commented the Governor is considering an Executive Order that would extend the due date of January 1st's taxes from thirty days to ninety days. At this time, it is unclear if the extension would be across the board or upon request as was the procedure in July.

If the option to extend was left up to the towns, the Council would have to decide, before the next Town Council meeting. The extension of the due date would not apply to taxes that are escrowed.

It was the consensus of the Town Council to approve the application by request for extension of the due date.

Chairwoman Pugliese mentioned the Chamber of Commerce, Fire Department, Recreation Department and Police Department will be sponsoring a drive-through visit with Santa on Friday, December 11, beginning at 6:00pm in Norton Park.

#### XIII. MATTER APPROPRIATE FOR EXECUTIVE SESSION

#### XIV. ADJOURNMENT

At 7:44pm Vice Chairwoman Tompkins motioned to adjourn. The motion was seconded by Councilman Underwood and passed 7-0.

Respectfully submitted by,

Carol A. Skultety, Town Clerk & Clerk of the Town Council

1 vacancy for alternate term ending 10/5/25

## MSP Renovate Like New

Project Planning December 2020

- 1. Justification
- 2. Timeline
- 3. Next steps

Plainville has saved significant local property tax cost by participating in the State funded renovation program when the opportunity arises. Each building project was funded more than 60% by the state. Had we instead done the necessary work as things fell into disrepair, the disruption and cost would have been far greater, never mind where the funding comes from.

PHS 2008

Toffolon 2009

Middle School of Plainville

## Justifications:

- We have deferred millions in costs for major repairs in anticipation of a renovation project and some repairs need immediate attention (roof, chillers, electrical distribution, safety concerns)
- Security requirements not currently met
  - Vestibule
  - Updated Cameras and Supporting Systems
- All other Plainville Schools have been more recently renovated within the last 14-15 years
- Technology infrastructure updates are necessary to continue to meet instructional needs
- Outdated classroom and space configurations, lab updates needed, etc.
- Potential for reconfiguring area for current needs
  - o Music areas, conference rooms, special education service delivery areas
- Lockers are in disrepair, need for new design, similar to the lockers at PHS
- Risk of declining state reimbursement rate
- Potential for reconfiguring traffic flow
- Potential use of recent upgrades/equipment/systems to offset renovation needs

## MSP Projects Completed and Postponed

#### MSP CIP Projects Completed

2016-17: Fire alarm system:

Control panel failed. We will request carry forward rather than re-replacement

2015-16: Update auditorium seating

Required for safety. There should not be a need to replace this seating.

2017-18: Convert tennis court to parking

Thanks to town/schools partnership. To be carried forward

2018-19: Update auditorium lighting

Stage lighting was upgraded to LED and remote adjustment. To be carried forward

2017-18: Boiler replacement

Eversource project. We will request carry forward rather than re-replacement

MSP CIP Projects - Postponed	If done without State reimbursement
Re-Roof MSP	1,872,000
Additional HVAC Upgrades (this cost is for a limited upgrade)	935,000
Resurface parking lots and roadway. Add paths. Meet ADA req's	880,000
Update Roof Top Air Handlers and air distribution systems (Ductwork, Dampers, VAVs,)	770,000
Chiller Plant Replacement: Including the cooling tower, control valves and associated piping throughout building.	450,000
Rewire for technology and new power requirements	252,000
Replace all carpeting	175,000
Create a Secure Entrance / vestibule	130,000
Replace Emergency Generator	125,000
Replace all student lockers	120,000
Middle School Cooling Tower	80,000
Refinish both gym floors	75,000
Re-key building to match District Standard and upgrade hardware	60,000
Remainder of auditorium upgrade	57,000
Fume hood replacement	50,000
Remove Underground Storage Tank (UST)	40,000
Upgrade Main Gym Bleachers for Accessibility	35,000
Install Automatic Isolation Valves for Chillers	15,000
Total previously proposed projects	\$6,121,000

→ More: This is only the backlog of projects in an aging building.
Some of the costs are based on minimum necessary to get by

Renovate like new application can be submitted after April 8, 2022

	Date	Scope	Details		
0	July 2021	Architect selection for study	By the Building Committee and then approved		
2	July 2021 - January 2022	Conduct study	The study includes specifications, conceptual design, and cost analysis.		
3	February 2022	Approval to proceed	From the Town Council with support of the BOE		
4	May 2022	Project referendum	Alternatively, referendum is allowed to follow the application		
6	June 2022	Submit the grant application	To the state Office of School Construction Grants & Review (OSCG&R)		
6	July 2022	Professionals selected for the project			
0	July 2022 - March 2023	Develop construction documents			
8	December 2022 - June 2023	Receive legislative approval for the grant (see next slide)	From the Department of Administrative Services (DAS) priority list, after OSCG&R review, general assembly authorization		
9	June 2023	Award Bid			

## Legislative approval process

The Office of School Construction Grants & Review annually submits a listing of school construction projects applying for grant commitments from the State. The list is known as the **Priority List** as represented in <a href="C.G.S. 10-283(a)(3)(A)">C.G.S. 10-283(a)(3)(A)</a>. All school construction projects seeking State assistance are required to be authorized by the legislature, except for those described in <a href="C.G.S. 10-283(b)">C.G.S. 10-283(b)</a>. The Department of Administrative Services submits the listing to the Governor and the Education Committee on December 15<sup>th</sup> of each year. Once the listing is approved, it is then voted on by the Connecticut General Assembly during the following legislative session.

https://portal.ct.gov/DAS/Office-of-School-Construction-Grants/School-Construction-Priority-List-Projects

## **Next Steps**

- 1. Board of Education & Town Council approval to proceed (December 2020)
- 2. Establish the Building Committee (Spring 2021)
- 3. Architect Selection (Summer 2021)

Questions?

END

Town of Plainville Attn: Robert E. Lee, Town Manager One Central Square Plainville, CT 06062

December 7, 2020

Dear Mr. Lee,

I am writing to inform you that Valley Water Systems, Inc. (VWS) filed an application to the Public Utilities Regulatory Authority (PURA) on November 24, 2020 for amendment of its rate schedule. The last time VWS applied for a rate increase was in 2010 based on a 2009 test year (Docket 10-06-15), with new rates going into effect on November 3, 2010.

VWS is requesting an increase of \$1,230,560 or 35.73% over the test year (2019) revenues. Within this application, VWS is requesting a limited re-opener to be filed sometime in the year 2022 to recover the construction costs and increase of O&M expenses related to the Woodford Ave. water softening plant.

The application in its entirety can be found on PURA's website at www.portal.ct.gov/PURA. PURA has docketed the application as Docket No. 20-11-14. If you have any questions, please do not hesitate to call.

Sheryl L. Pairchild

Sincerely

Director of Rates and Regulatory Affairs

Date: December 16, 2020

RE: Municipal Coronavirus Relief Fund (CRF) Program

July 1 - December 30, 2020 Claim Period

To date the Office of Policy and Management (OPM) has reimbursed municipalities for all reported claims through June 30, 2020 for a total of approximately \$14.5 million from the Municipal Coronavirus Relief Fund (CRF) Program. Notably the actual incurred expenses through June 30<sup>th</sup> were significantly lower than municipalities originally estimated. Connecticut's Municipal CRF Program originally was structured to provide funds on a reimbursement basis after the processing of FEMA claims. Due to the time delays in FEMA claims processing, and to maximize support to our municipalities, OPM will be immediately providing a direct \$45.5 million allocation of the Municipal CRF Program funds to support municipalities costs for the period July 1 – December 30, 2020.

Please note: the eligible uses of this funding, which are detailed further in this communication, have been expanded to include public health and safety personnel costs.

Testing has been critical to slow the spread of coronavirus and mitigate its threat to public health, particularly for the most at-risk populations and our educational system. Therefore \$15 million of the \$75 million Municipal CRF Program allocation has been reserved to expand regional testing opportunities for teachers and staff to mitigate this expense for LEA's and municipalities and provide increased support for safe operations of our schools.

In summary, the Municipal CRF Program funds of \$75 million will be distributed as follows:

- Reimbursed Claims through June 30, 2020 \$14.5 million
- Final allocation with expanded usage \$45.5 million
- Regional testing opportunities for municipal teachers and staff \$15 million

The remaining Municipal CRF funds of \$45,498,170 will be allotted based on the population formula below. A town by town allotment listing is attached.

- 33% population density
- 33% population / Adjusted Equalized Net Grand List per Capita
- 34% population

Funding has been provided to all 169 municipalities. Health Districts, Special Tax Districts and Fire Districts need to work through their municipality for claiming any reimbursements against their Municipal CRF Program allotment.

Please refer to these website links for additional information on CRF:

- Coronavirus Relief Fund Overview
- Municipal CRF Program

#### Eligible Uses

Funding is being provided to cover the following:

#### **COVID** eligible expenses:

- Under federal law, eligible uses must meet three conditions. They must be:
  - "Necessary expenditures incurred due to the public health emergency with respect to...COVID-19"
    - Funds may not be used to substitute for lost revenue
  - o Not budgeted as of March 27, 2020 when the CARES Act was enacted
    - May not supplant state or municipal spending
  - o Incurred on or after March 1, 2020, through December 30, 2020
- Please refer to previous documentation on eligible expenses at: <a href="https://portal.ct.gov/OPM/Coronavirus/Coronavirus-Relief-Fund/Municipal-CRF-Program">https://portal.ct.gov/OPM/Coronavirus/Coronavirus-Relief-Fund/Municipal-CRF-Program</a>

#### Public health and public safety personnel costs Guidance from Department of Treasury:

In recognition of the particular importance of public health and public safety
workers to State, local, and tribal government responses to the public health
emergency, Treasury has provided, as an administrative accommodation, that
a State, local, or tribal government may presume that public health and public
safety employees meet the substantially dedicated test, unless the chief

executive (or equivalent) of the relevant government determines that specific circumstances indicate otherwise. This means that, if this presumption applies, work performed by such employees is considered to be a substantially different use than accounted for in the most recently approved budget as of March 27, 2020. All costs of such employees may be covered using payments from the Fund for services provided during the period that begins on March 1, 2020, and ends on December 30, 2020.

- In response to questions regarding which employees are within the scope of this accommodation, Treasury is supplementing this guidance to clarify that public safety employees would include police officers (including state police officers), sheriffs and deputy sheriffs, firefighters, emergency medical responders, correctional and detention officers, and those who directly support such employees such as dispatchers and supervisory personnel. Public health employees would include employees involved in providing medical and other health services to patients and supervisory personnel, including medical staff assigned to schools, prisons, and other such institutions, and other support services essential for patient care (e.g., laboratory technicians) as well as employees of public health departments directly engaged in matters related to public health and related supervisory personnel.
- The guidance provides that funding may be used to meet payroll expenses for public safety, public health, health care, human services, and similar employees whose services are substantially dedicated to mitigating or responding to the COVID-19 public health emergency. May Fund payments be used to cover such an employee's entire payroll cost or just the portion of time spent on mitigating or responding to the COVID-19 public health emergency?

As a matter of administrative convenience, the entire payroll cost of an employee whose time is substantially dedicated to mitigating or responding to the COVID-19 public health emergency is eligible, provided that such payroll costs are incurred by December 30, 2020. An employer may also track time spent by employees related to COVID-19 and apply Fund payments on that basis but would need to do so consistently within the relevant agency or department.

#### Testing:

• Through the state's Community Testing Program, all residents have robust access to no-cost COVID-19 testing through multiple hospital, community health center and other community pop-up sites. Turn-around-time for results through this program is averaging 72 hours or under. Some providers may recommend appointments or pre-registration to facilitate

expedited testing. State sponsored sites may be accessed via <a href="https://www.ct.gov/prioritytesting">www.ct.gov/prioritytesting</a>.

- The state is working with its contracted partners to provide priority access and extended hours for educators, school staff, and other critical workforce as needed. More information will be forthcoming in the coming weeks on this effort.
- CT DPH currently recommends the use of mitigation efforts to prevent COVID-19 transmission in schools. In addition, BinaxNOW rapid antigen tests are available at no cost to school districts and other organizations. This antigen test is generally for symptomatic individuals only; schools must also have appropriate staff, infection control measures and other measures in place to administer these tests on site. To date, many of our state's school districts and school based clinics have utilized these tests for symptomatic staff or students.

#### **Enforcement of Executive Orders:**

- As noted above, this funding can be used broadly to support public health and safety personnel and fringe costs and be substantially dedicated to support the COVID-19 public health emergency, thereby providing budget relief to support enforcement.
- Sector Rule enforcement is outlined in Governor Lamont's Executive Orders 7PP (issued 5/18/2020 authority for business closure), 9B (issued on 9/15/2020 authority for issuing fines) and 9N (issued on 11/24/2020 authority to issue \$10,000 Civil Penalties) allow local officials the ability to enforcement Sector Rules. Work to enforce the Sector Rules can be implemented by a variety of local officials including local health officials, local police departments, municipal designees, and other municipal officials. Sector Rule enforcement work can be supported by this funding.
- DPH along with DECD and DEMHS presented three webinars to educate local officials on Sector Rule enforcement. A Sector Rule enforcement toolbox was presented focused on local team building to practice progressive discipline to include items such as education, written warnings, business closure, liquor license summary suspension, consent orders, infraction ticketing, and \$10,000 civil penalty. Further, the State recently enacted an Enforcement Task Force including DPH, DECD, DCP, DEMHS, and Local Health Directors to focus on sharing guidance and best practices.

#### **Disbursement of Funds**

To streamline the process, municipalities will need to access the OPM Portal and complete a simple certification process. There will be no upload of transactional detail or FEMA acceptance letter for this claim period.

Municipalities, through their COVID Portal contact, will complete the web-based reimbursement and certification process. Instructions will be sent separately. Claims must be submitted no later than 5:00 PM Friday, December 18, 2020. Once OPM has reviewed and verified the certification, payment will be processed approximately within one week.

#### **Audit Provisions and Documentation**

Federal Coronavirus Relief Fund expenditures are subject to Single Audit by an Inspector General within the U.S. Department of the Treasury. Documenting that costs were eligible uses are essential to managing compliance risk and to minimizing the possibility that the costs are deemed ineligible, thereby requiring that the municipality and the state may need to return funds to the federal government.

We ask that you document costs clearly with respect to the date and nature of the expense incurred so that together we can best manage resources in the interests of the residents of Connecticut. In general, you should document expenses with the same specificity as for FEMA reimbursements.

For questions and additional information on the Municipal CRF Program, please contact Acting Undersecretary Martin Heft at <a href="martin.heft@ct.gov">martin.heft@ct.gov</a> or 860.418.6355.

Thank you for your continued cooperation as we work together to protect the interests of all our residents.

## **Christmas Tree Disposal**

Residents may bring their Christmas trees to the Transfer Station on Granger Lane for free disposal from Monday, December 28, to Friday, January 15. If the tree is transported in a bag, the bag must be removed and discarded in regular household trash.

If you are unable to bring your tree down to the Transfer Station, the Roadways crew will be conducting a curbside pick-up of trees between January 11-15. For collection, residents must place trees at the curb by Sunday, January 10. Residents are reminded to be sure not to block any sidewalks or walkways.

#### **EXECUTIVE ORDER NO. 9R**

PROTECTION OF PUBLIC HEALTH AND SAFETY DURING COVID-19 PANDEMIC – MODIFICATION OF MUNICIPAL TAX PAYMENT PROVISIONS; ASSESSOR CERTIFICATION PROGRAM WAIVER; ALCHOLIC LIQUOR SALE BY CATERERS

WHEREAS, on March 10, 2020, I declared public health and civil preparedness emergencies throughout the State of Connecticut as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and Connecticut; and

WHEREAS, on September 1, 2020, I renewed the March 10, 2020 declaration of public health and civil preparedness emergencies and also issued new declarations of public health and civil preparedness emergencies, which new and renewed emergencies shall remain in effect until February 9, 2021, unless earlier terminated; and

WHEREAS, pursuant to such declarations, I have issued eighty-five (85) executive orders to suspend or modify statutes and to take other actions necessary to protect public health and safety and to mitigate the effects of the COVID-19 pandemic (the "COVID-19 Orders"); and

WHEREAS, COVID-19 is a respiratory disease that spreads easily from person to person and may result in serious illness or death; and

WHEREAS, the World Health Organization has declared the COVID-19 outbreak a pandemic; and

WHEREAS, public health experts have determined that it is possible to transmit COVID-19 even before a person shows symptoms and through aerosol transmission; and

WHEREAS, to reduce the spread of COVID-19, the United States Centers for Disease Control and Prevention (CDC) and the Connecticut Department of Public Health (DPH) recommend implementation of community mitigation strategies to slow transmission of COVID-19, including limitation on the size of gatherings, maintaining a safe distance from others, and wearing masks or face coverings; and

WHEREAS, COVID-19 has caused unanticipated health effects that are not well understood by the medical community, and residents, businesses, and government agencies face new and

unanticipated economic, fiscal, and operational challenges as a result of the COVID-19 pandemic; and

WHEREAS, in recent weeks, COVID-19 infection, hospitalization, and death rates have increased in Connecticut, surrounding states, and throughout the country, reinforcing the need for continued protective measures to limit transmission of the coronavirus; and

WHEREAS, Chapter 204 of the Connecticut General Statutes sets forth tax collection deadlines that will be difficult for residential and commercial property owners to meet in light of the significant job and economic losses experienced by Connecticut residents and businesses; and

WHEREAS, municipalities have sought relief on behalf of taxpayers affected by the impacts of business operations being suspended or ceased, layoffs and other complications caused by the COVID-19 pandemic; and

WHEREAS, quasi-municipal entities, including special taxing districts and participants in the Connecticut Green Bank C-Pace program have sought relief on behalf of taxpayers affected by the COVID-19 pandemic; and

WHEREAS, the Certified Connecticut Municipal Assessor Committee is required by regulations issued pursuant to Section 12-40a of the Connecticut General Statutes to convene an annual assessor certification program, and offer certain certification examinations and training events multiple times per year, and

WHEREAS, the large, in-person gatherings required to conduct such certification programs increase the risk of transmission of COVID-19; and

WHEREAS, as a result of distancing and other protection measures enacted to limit the transmission of COVID-19, there is not a market for large in-person catered events, but many virtual events could benefit from the availability of catered food and liquor that attendees could consume at home;

**NOW, THEREFORE, I, NED LAMONT,** Governor of the State of Connecticut, by virtue of the authority vested in me by the Constitution and the laws of the State of Connecticut, and pursuant to the public health and civil preparedness emergencies declared on March 10, 2020 and renewed on September 1, 2020 and the new public health and civil preparedness emergencies declared on September 1, 2020, do hereby **ORDER AND DIRECT:** 

1. Suspension and Modification of Tax Deadlines and Collection Efforts for Tax Bills That Become Due and Payable on January 1, 2021. Notwithstanding any contrary provisions of Chapter 204 of the Connecticut General Statutes or of any special act, charter, home-rule ordinance, local ordinance or other local law, the two programs established under Executive Order No. 7S, Section 6, which programs offered relief to eligible taxpayers, businesses, nonprofits, and residents who had been economically affected by the COVID-19 pandemic, and which applied to

municipal tax payments that were due and payable from April 1, 2020 through July 1, 2020, shall apply to tax deadlines and collection efforts for tax bills that become due and payable on January 1, 2021 according to the provisions contained herein. Such programs shall remain titled the "Deferment Program" and the "Low Interest Rate Program." Each municipality, as defined in section 7-148 of the general statutes, by determination of its local legislative body, or, in any town in which the legislative body is a town meeting, by a vote of the board of selectmen, shall participate in one or both programs and shall notify the Secretary of the Office of Policy and Management on or before December 30, 2020, about which program or programs it is electing to participate in, provided that if a municipality elects to participate in the same program as it previously did pursuant to Executive Order No. 7S, Section 6, no approval by its local legislative body or board of selectmen shall be required. Each municipality shall be deemed to have adopted the same program as previously selected under Executive Order No. 7S, Section 6 unless notification of a different election is provided to the Office of Policy and Management on or before December 30, 2020.

- a. Deferment Program. Municipalities participating in the Deferment Program shall offer to eligible taxpayers, businesses, nonprofits, and residents an extended grace period, through and including April 1, 2021, of any taxes on real property, personal property, motor vehicle, supplemental motor vehicle, or municipal water, sewer and electric rates, charges or assessments for such tax, rate, charge, or assessment. Eligible taxpayers, businesses, nonprofits, and residents are those that attest to, or document, significant economic impact by COVID-19 or that they are providing commensurate relief to those significantly affected by the COVID-19 pandemic. The Guidance published by the Secretary of the Office of Policy and Management on April 17, 2020 and updated on April 24, 2020 shall be updated and republished within five days of the effective date of this order and shall be used by municipalities to determine which taxpayers, businesses, nonprofits, and residents shall be considered eligible for the Deferment Program for tax bills that become due and payable on January 1, 2021. Notwithstanding such Guidance, a participating municipality may, upon approval of its local legislative body, or, in any town in which the legislative body is a town meeting, by a vote of the board of selectmen, extend eligibility for the Deferment Program to other categories of taxpayers, businesses, nonprofits, and residents.
- b. Low Interest Rate Program. For municipalities participating in the Low Interest Rate Program, notwithstanding Section 12-146 of the Connecticut General Statutes, the delinquent portion of the principal of any taxes on real property, personal property, motor vehicles, supplemental motor vehicle, or municipal water, sewer and electric charges or assessments or part thereof due on January 1, 2021 shall be subject to interest at the rate of three

- (3) per cent per annum from the time when it became due and payable until the same is paid through and including March 31, 2021, unless such delinquent portion is subject to interest and penalties at less than three (3) per cent per annum. The portion that remains delinquent as of April 1, 2021 shall be subject to interest and penalties as previously established.
- c. Eligibility of Landlords. In order for a landlord, or any taxpayer that rents or leases to any commercial, residential, or institutional tenant or lessee, to be eligible for the Deferment Program, said landlord must provide documentation to the municipality that the parcel has or will suffer a significant income decline or that commensurate forbearance was offered to their tenants or lessees. Any taxpayer that rents or leases to any commercial, residential, or institutional tenant or lessee shall be eligible for the Low Interest Rate Program only if said landlord offers commensurate forbearance to tenants or lessees, upon their request.
- d. Escrow Payments. Financial institutions and mortgage servicers that hold property tax payments in escrow on behalf of a borrower shall continue to remit property taxes to the municipality, so long as the borrower remains current on their mortgage or is in a forbearance or deferment program, irrespective of the borrower's eligibility for or participation in the Deferment Program or the Low Interest Rate Program.
- e. Liens Remain Valid. Nothing in this order affects any provision of the Connecticut General Statutes relating to continuing, recording and releasing property tax liens and the precedence and enforcement of taxes, rates, charges and assessments shall remain applicable to any deferred tax, rate, charge or assessment or installment or portion thereof.
- f. Application to Quasi-Municipal Corporations. Consistent with Executive Order No. 7W, the provisions in Section 1 of this order shall apply to all taxes and water, sewer, or electric charges for which a municipality, as defined in section 7-148 of the general statutes, collects for all other quasi-municipal corporations, whether created by statute, ordinance, charter, or special act, including but not limited to any town, city or borough, whether consolidated or unconsolidated, any village, school, sewer, fire, lighting, special services or special taxing districts, beach or improvement association, any regional water or resource recovery authority or any other political subdivision of the state or of any municipality having the power to make appropriations or to levy assessments or taxes ("quasi-municipal corporations"). Every quasi-municipal corporation that collects any taxes or water, sewer, or electric charges and is located wholly within a municipality shall offer the same program or programs that the municipality offers, must accept the status of the taxpayer as determined by the municipality, and shall

not be subject to the notification requirement to the Secretary of the Office of Policy and Management. Every quasi-municipal corporation that collects any taxes or water, sewer, or electric charges and is located in multiple municipalities shall make its own determination as to which program or programs it shall elect, which may be either uniform for the whole quasi-municipality or be the same as those chosen by the respective forum municipalities, and shall provide the notice to the Secretary of the Office of Policy and Management as required for municipalities. The provisions regarding tax deferral and interest-rate reduction programs to offer relief to eligible taxpayers, businesses, nonprofits and residents who have been economically affected by the COVID-19 pandemic shall also apply to benefit assessments under Connecticut General Statute Section 16a-40g.

- 2. Suspension of Municipal Assessor Certification Program Requirement. The provisions of Section 12-40a of the Connecticut General Statutes and Sections 12-40a-5 through 12-40a-12 of the Regulations of the Connecticut State Agencies, that require the Certified Connecticut Municipal Assessor Committee offer a certification program annually, and the corresponding requirements for a minimum number of training and examination events each year contained therein, are hereby suspended for the duration of the public health and civil preparedness emergency.
- 3. Alcoholic Liquor Sales by Caterers. Effective immediately, Section 30-37j of the Connecticut General Statutes is modified to authorize the Commissioner of Consumer Protection, through whatever implementing orders she deems necessary, to allow caterer liquor permittees to sell and provide closed or sealed containers of alcoholic beverages, including mixed drinks, to persons or businesses for which they have been hired to provide catered food service for off-premise private gatherings or special events, including events that will be held virtually or remotely. In order to provide alcoholic beverages for off-premise consumption, the caterer liquor permittee must abide by the following conditions:
  - a. All alcoholic beverages must accompany an order of food to be prepared by the caterer:
  - b. The caterer may allow the person or business who contracted with the caterer to pick-up the alcoholic beverages with the entire food order at the caterer's premise, or the caterer may directly deliver the alcoholic beverages with the entire food order to such person or business;
  - c. The caterer may allow individual persons, who are participating in the private gathering or special event for which the caterer was hired to provide food, to pick-up their own personal catered meal and alcoholic beverage at the caterer's premise, but the caterer cannot deliver alcoholic beverages to such persons; and
  - d. All alcoholic liquor must be either delivered or picked-up during the same hours package stores are allowed to operate.

This order shall take effect immediately and remain in effect for the duration of the existing renewed and newly declared civil preparedness and public health emergencies, unless earlier modified or terminated by me.

Dated at Hartford, Connecticut, this 16<sup>th</sup> day of December, 2020.

Interim Guidance on the Length of Quarantine for Contacts of Persons with SARS-CoV-2 Infection (12/16/20)

On December 2, 2020, the Centers for Disease Control and Prevention (CDC) published new quarantine guidance:

<u>Options to Reduce Quarantine for Contacts of Persons with SARS-CoV-2 Infection Using Symptom Monitoring and Diagnostic Testing | CDC</u>

The incubation period of SARS-Cov-2 is between 2-14 days, with a median incubation of 5 days. It is for this reason that CDC continues to recommend a 14-day quarantine period. This quarantine period for persons who might have been exposed to COVID-19 has proven to be an effective strategy to prevent further transmission. It may, however, impose significant personal and community burdens in some circumstances and may dissuade individuals from responding to contact tracer outreach if the length of quarantine is perceived to be a burden.

Based on the updated guidance from CDC, the Connecticut Department of Public Health (DPH) recommends changing the quarantine period for persons known to be close contacts of cases of COVID-19 to 10 days if:

- 1) Daily self-monitoring for COVID-19 symptoms has been done and the person has had no symptoms of COVID-19 during the whole 10-day quarantine (day 0 is the is the day of exposure); AND
- 2) Daily symptom monitoring continues after 10 days for an additional 4 days (days 11–14). If any symptoms develop, immediately self-isolate and contact their local public health department or their healthcare provider; AND
- 3) After 10 days, persons need to continue to take the measures needed to prevent COVID-19, including but not limited to: wearing a mask when out in public and avoiding gatherings with people who are not in your immediate household, are over 65 years old or who have medical conditions that place them at increased risk for COVID-19. These are also summarized here: How to Protect Yourself & Others | CDC

Based on the updated guidance from CDC, the Connecticut DPH also recommends that when diagnostic testing resources are sufficient and available, the quarantine period for persons know to be close contacts of COVID-19 can end after Day 7 if:

- 1) Daily self-monitoring for COVID-19 symptoms has been done and the person has had no symptoms of COVID-19 during the whole 7-day quarantine (day 0 is the day of exposure); AND
- 2) A negative diagnostic test (molecular or antigen) for coronavirus (SARS-CoV-2) is obtained on day 5 or later and a negative test result has been received; AND
  - a) The quarantine period should not end before 7 days, even if a negative test result was obtained earlier
  - b) If a test result is still pending at day 7, the person cannot end quarantine until that result is received and is negative

- 3) Daily symptom monitoring continues after 7 days for an additional 7 days (days 8–14). If any symptoms develop, immediately self-isolate and contact their local public health authority or their healthcare provider; AND
- 4) After 7 days, persons need to continue to take the measures needed to prevent COVID-19, including but not limited to: wearing a mask when out in public and avoiding gatherings with people who are not in your immediate household, are over 65 years old, or have medical conditions that place them at increased risk for COVID-19. These are also summarized here: How to Protect Yourself & Others | CDC

#### Post-Quarantine Transmission Risk by Length of Quarantine

It is important to note that a shorter quarantine period carries a risk that an exposed individual could become positive and potentially transmit COVID-19 to others after quarantine.

Length of Quarantine	Continued Symptom Monitoring Period	Test Required	Residual Risk of Positivity after Leaving Quarantine
14 days	None	None	0.1% (range 0–3%)
10 days	4 days	None	1.4% (range 0.1–10.6%)
7 days	7 days	Molecular (e.g., RT-PCR) at Day 5 or later	4.0% (range 2.3–8.6%)
7 days	7 days	Antigen at Day 5 or later	5.5% (range 3.1–11.9%)

#### **Congregate Living Settings**

COVID-19 can spread rapidly in congregate living settings and greatly increase the morbidity and mortality of the residents of these settings. A 14-day quarantine period should continue to be implemented for persons living or working in high-risk congregate settings including (but not limited to) long term care facilities (nursing homes, assisted living facilities, residential care homes), Department of Correction facilities, and other congregate living settings (such as homes for the developmentally disabled).

#### **Healthcare Facilities**

<u>CDC continues to recommend</u> a 14-day quarantine period for patients receiving healthcare and healthcare personnel with exposures to SARS-CoV-2 warranting <u>quarantine</u> or <u>work restrictions</u>, respectively. The alternatives are not without risk in the healthcare setting but can be used as means of <u>mitigating staffing shortages</u> that would put patient safety and healthcare quality at risk.
