## Why Household Hazardous Waste Collection Days?

- Reduce the chances of accidental poisoning
- Prevent damage to sewage systems
- Help protect surface water and groundwater
- Reduce the risk of harmful fumes or fires

## Moving??

If you are moving before a collection day try to get a neighbor, friend or family member to bring your hazardous products to a collection day for you.

**Latex and Oil-Based Paints**  
visit: [www.paintcare.org/paintcare-states/connecticut](http://www.paintcare.org/paintcare-states/connecticut)  
for additional drop-off locations.

For more information, contact [info@brrfoc.org](mailto:info@brrfoc.org)

Printed on recycled paper.

# 2021 Healthy Homes

## Residential Household Hazardous Product Disposal Information

27 W. Main Street, Rm 501  
New Britain, CT 06051

## 860-585-0419

Helping to make homes healthier in  
Berlin, Bristol, Burlington, New Britain,  
Plainville, Plymouth, Southington  
and Wolcott.

Household hazardous products can pose serious risks to your family's health and the health of our environment. Bring the unused portions of the hazardous products to one of the Household

Hazardous Waste Collection Days. Be sure to keep products in their original containers and don't mix them. And always keep materials in a safe place away from children, pets and heat.

## Household Hazardous Products Checklist

Be careful! Make sure products are sealed. Pack them in a sturdy crate or cardboard box. Leave in your car only as long as necessary, and never smoke while handling.

### BRING:

#### In the Kitchen and Bathroom:

- Non-empty aerosol cans
- Household batteries
- Furniture, floor & metal polishes
- Bleach & spot removers
- Oven, drain & household cleaners
- Bug sprays
- Disinfectants & mildew removers
- CFL & fluorescent bulbs
- Ammonia

#### In the Garage and Garden:

- Paint, varnishes, shellac, stains, thinners & paint strippers
- Pool and photographic chemicals
- Lawn care chemicals such as pesticides & fertilizers
- Auto fluids such as motor oil & antifreeze
- Car waxes and cleaners
- Kerosene & fuel oil

#### Miscellaneous:

- Mercury (including thermometers and thermostats)
- Waste fuel, moth balls, hobby supplies
- Charcoal lighter fluid

### DO NOT BRING:

- Appliances such as air conditioners and microwaves
- Commercial or industrial waste
- Electronics: TVs and computers
- Empty containers
- Flares, ammunition & other explosives
- Medicines or medical devices
- Open containers
- Propane tanks
- Smoke detectors
- Tires

NO WASTE FROM  
BUSINESSES OR CONTRACTORS  
5 Gallon per person limit.

### Electronics:

- Electronics are not collected at Household Hazardous Waste collections.

Call your town's recycling contact for electronics recycling information.

## When Using Household Hazardous Products...

### Check the label.

If the product you are using is toxic, corrosive, reactive, explosive or flammable it can be hazardous to you and our environment.

- NEVER throw leftover chemicals down the drain, in stormdrains, on the ground or in the trash.
- Give leftover or extra product to someone who can use it or bring it to a HHW collection day.
- Recycle used motor oil at your town's designated collection site.
- Recycle lead-acid car batteries by bringing them to a scrap metal dealer or battery retailer.
- Buy only what you need - use all of what you buy.
- Use non-toxic or less toxic substitutes for hazardous products.

For more information about propane tanks, fire extinguishers or batteries, call (860) 585-0419 or contact [info@brrfoc.org](mailto:info@brrfoc.org).

### IMPORTANT:

COVID precautions require that all residents remain in the vehicle, windows rolled up. Present ID through closed driver door window. Fuel containers will not be returned. NO EXCEPTIONS.
