## **How to Alert 9-1-1 to Your Special Needs**

You should complete this form if you want your police, fire, ambulance, or other emergency response agencies to know about medical conditions or disabilities when you call 9-1-1 in an emergency. When you call 9-1-1 from a wire-line phone, Connecticut's 9-1-1 emergency telephone service displays your name, address, and telephone number at the Plainville Police Department. **(A wire-line phone is a phone that has a wire from a telephone pole to your home.)**

Filling out this form will alert the 9-1-1 operator that you or someone else living in your household has a medical condition or disability. This information helps the 9-1-1 operator to provide appropriate emergency help. If you want the 9-1-1 operator and emergency response staff, (that is the police department, fire department, or emergency medical staff) to know that you or someone else living in your household has a medical condition or disability, fill out this form.

This information will be displayed at the 9-1-1 screen **only** when you call 9-1-1. This service is **not** available for cell or Internet phones.

The information that you provide will be put into the 9-1-1 system and will stay there until you request that it be changed or removed or your account is closed. It is your responsibility to notify us when there is a change in the condition described on this form. When there is a change, send us an updated form.

When filling out this form, be sure to:

1. Provide your name, address, and telephone number.
2. Check the box or boxes that apply.
3. Sign and date the form,

If you have any questions, please feel free to the dispatch at the Plainville Police Department. The non-emergency number is 747-1616.
